

25th Annual Loon Count

Saturday, July 19th, 2008 from 7:00 to 7:30 a.m.

Official Count Information –REQUIRED

Please record only those adults and chicks seen in your count area from 7 to 7:30 a.m., and **mark the locations of all birds seen on the enclosed map**. If there is no map enclosed, please sketch a rough outline of the lake on the back of this sheet.

Please mark the maps with: “A” for adults (and time observed)
 “c” for chicks (and time observed)
 “X” for your observation point (if counting from shore) *or*
dashed lines for your observation route (if counting from a boat)
 “N” for known nest locations (Don’t search out if not known!)
